THE HOME PAGE

The home page is the front door for our program. Share it with family, friends and college coaches.

WHAT YOU WILL FIND

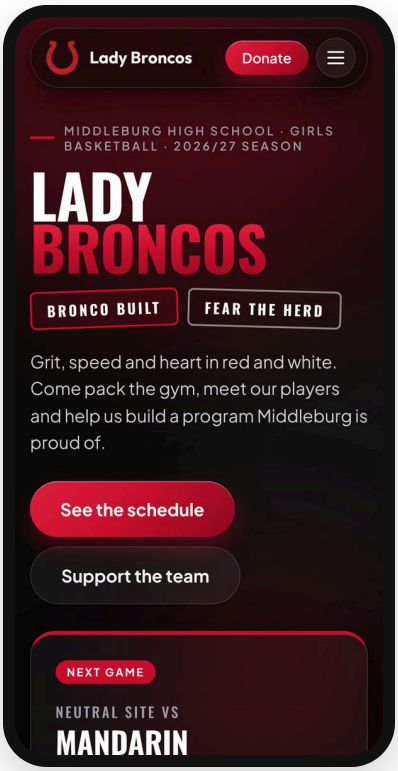

- **Next game** at the top, with a countdown.
- **Schedule** with tabs for Home games, Away games and the Full season. Big games like county rivals are featured. Varsity times are shown, with JV times where they apply.
- **Add games to my calendar** puts the whole schedule into your phone's calendar in one tap.
- **Highlights** from our YouTube channel.
- **Meet the playmakers:** a card for every varsity player with her position, class, stats and recruiting links. Tap **Junior varsity** under the cards to see the JV roster.
- **Coaching staff**, **college recruiting** info, our **Instagram** and our **sponsors**.
- **Donate** and **Sponsor** buttons, plus the **Team Store**.

TIP FOR PLAYERS

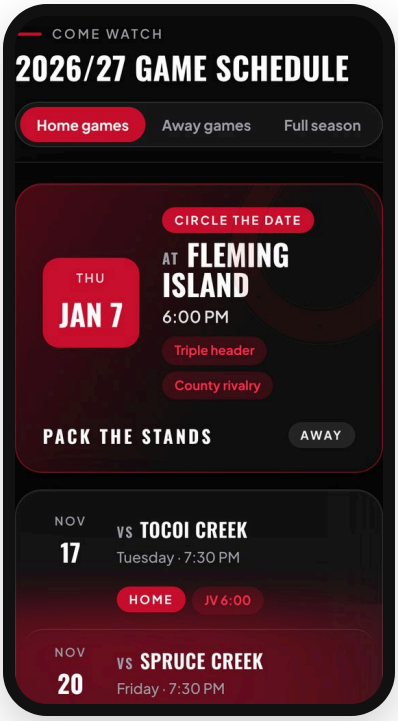

College coaches look at this page. Keep your Elevate Her recruiting profile up to date, because your card links to it and pulls your photo and stats from it.

SEE SOMETHING WRONG?

A wrong jersey number, a misspelled name or a game time change? Tell Coach Haynes. The coaches update the home page from their dashboard.

PLAYER HUB AND TEAM CONTRACTS

The Player Hub is the home base for players and families. Player recruiting links are on each player's card on the home page. The Hub holds:

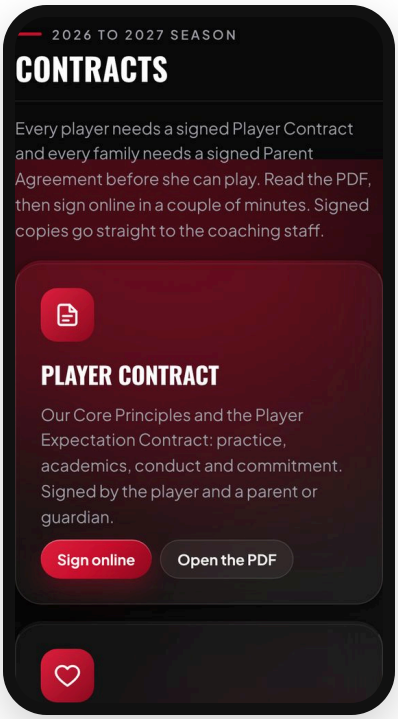

- **Player tools:** Athlete Monitor, the MHS Secret Binder, Bronco Life Skills, this Family Guide and the fundraiser player login.
- **Contracts:** the Player Contract and the Parent Agreement.
- **Sponsors and donations:** the Sponsorship Guide, the Sponsor Packet, the sponsor page and the donation page.

SIGN YOUR CONTRACTS ONLINE

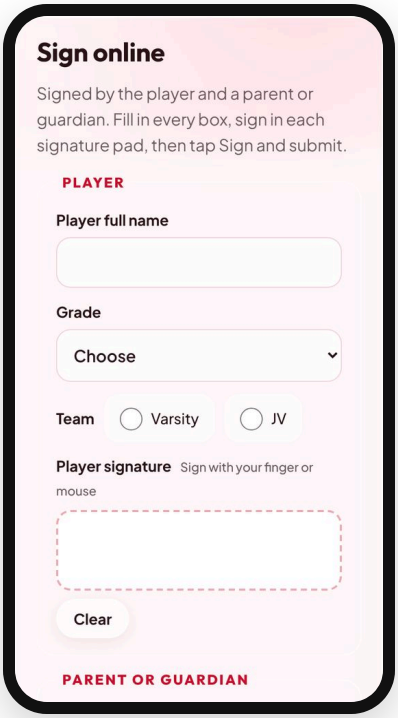

Every player needs a signed **Player Contract**, and every family needs a signed **Parent Agreement**, before she can play. It takes a couple of minutes on a phone.

1. Go to **mhsladybroncos.com/contracts**, or tap **Sign online** in the Contracts section of the Player Hub.
2. Read the whole contract on the page. You can also tap **Open the PDF**.
3. Fill in every box. For the Player Contract, the player enters her name, grade and team, and a parent or guardian enters their name, phone and email.
4. Sign in each signature box with your finger. The **player signs** her box and the **parent or guardian signs** theirs. Tap Clear to start over.
5. Check the two boxes to agree to the contract and to sign electronically, then tap **Sign and submit**.
6. Tap **Print or save a copy** to keep one for your records, then sign the other contract.

> The Parent Agreement asks which **volunteer role** your family will claim. Signed contracts go only to the coaching staff. Use your daughter's full name, spelled the way it is on the roster.

MHSLADYBRONCOS.COM/ATHLETEMONITOR

ATHLETE MONITOR

Athlete Monitor tracks each player's growth against her own history: testing, training, workouts, games and how she is feeling. It does not rank players or decide who plays.

SIGNING IN

1. Open **mhsladybroncos.com/athletemonitor**.
2. Enter the **username and password** your coach gives you. Players and parents each get their own account.
3. Change your password any time with the **Password** button at the top. Forgot it? Ask your coach to reset it.

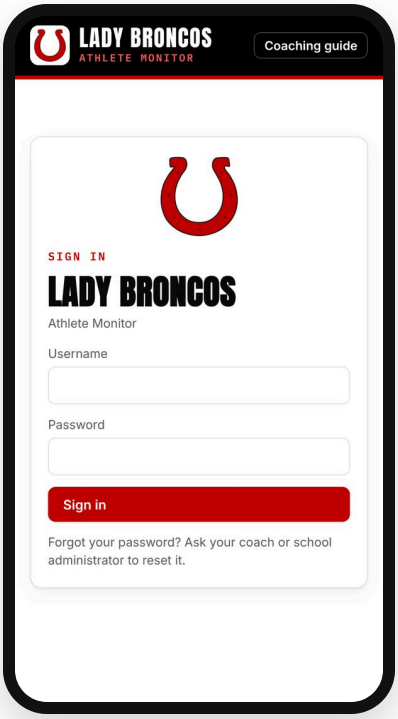

THE DAILY CHECK IN (PLAYERS)

It takes about one minute. Do it every day, ideally before practice.

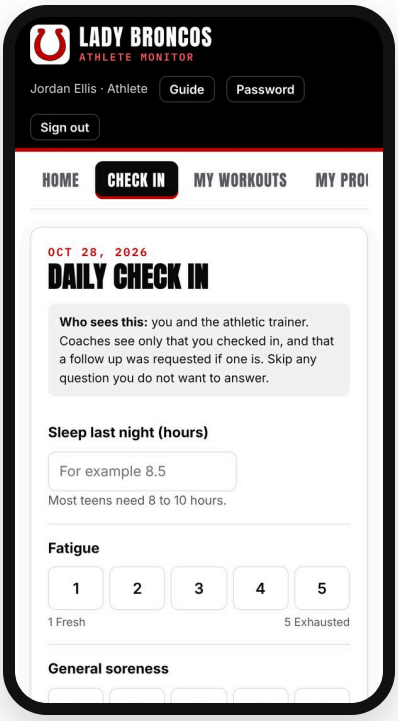

1. Tap **Check in**.
2. Enter your **hours of sleep**, then tap 1 to 5 for **fatigue**, **soreness** and **how recovered** you feel.
3. Check **I have pain or an injury** if the athletic trainer should know, or **I would like to talk with someone on staff**.
4. Tap **Submit check in**. If your signal drops, your answers are saved on your phone until you are back online.

WHO SEES YOUR CHECK IN

Only you and the athletic trainer. Coaches see only that you checked in, and that a follow up was asked for if one was. Skip any question you do not want to answer. **If you are hurt or feel unsafe, tell an adult in person right away.** The check in is not watched around the clock.

FOR PARENTS AND GUARDIANS

Your account shows your daughter's **Progress**, **Weekly reports** and **Schedule**. You see her results and reports, but never other players' information. Look at the trend over time, not one test. Growth, sleep and the season all affect the numbers.

GOOD HABITS

Check in every day. Log workouts the same day. Read your weekly report on Monday and set one goal for the week. Tap **Guide** at the top for the team's testing calendar and training notes.

MHSLADYBRONCOS.COM/SECRETBINDER

MHS SECRET BINDER

Every offense and defense the Lady Broncos run, drawn on the court and animated step by step, with film and a quiz. Players are expected to study it regularly, as the Player Contract says.

OPENING THE BINDER

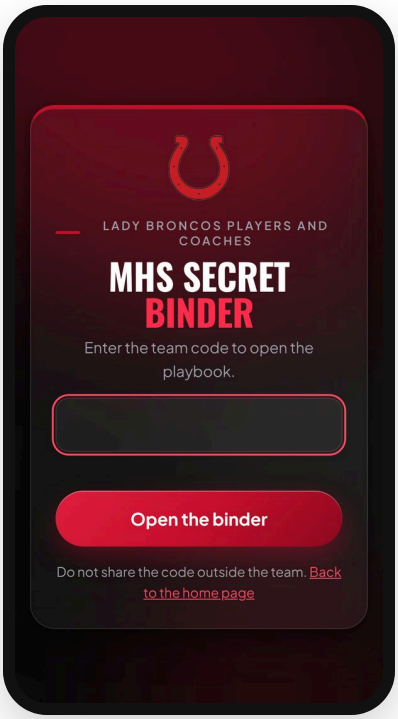

1. Go to **mhsladybroncos.com/secretbinder**.
2. Enter the **team code** your coach gives you and tap **Open the binder**.
3. Your phone stays signed in for 30 days, so you will not need the code every time.

LEARNING A PLAY

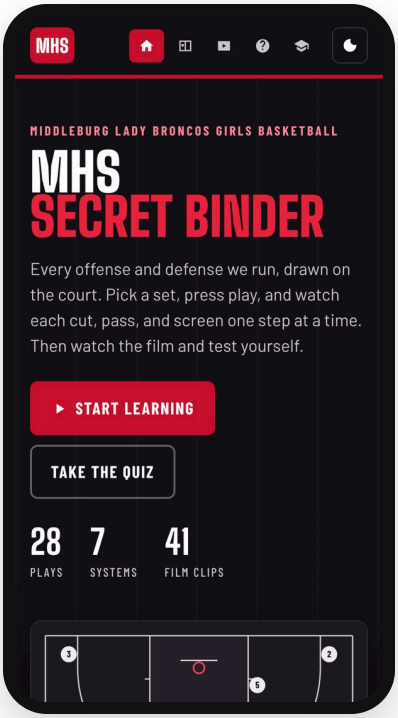

1. Tap **Start learning**, choose **Offense** or **Defense**, then pick a system and a play. You can also search plays by name.
2. Press **Play** to watch each cut, pass and screen move on the court. Use **Pause**, **Replay** and the speed button to slow it down.
3. Read **Keys to run it** and the system rules under each play.
4. Open **Watch the film** to see the play run in a real game.
5. Tap **Take the quiz** to test yourself. Name the play from the diagram, then study any you miss.

KEEP IT SECRET

The binder is for Lady Broncos players and coaches only. Never share the code, screenshots or film outside the team. The code can change during the season. Your coach will tell you when it does.
