Core Principles and Contract for Play

This packet holds the expectations and principles for Lady Bronco Basketball this season. Every player signs it, and every player is expected to live by it. It has two parts: our Core Principles and the Player Expectation Contract.

PART 1: CORE PRINCIPLES

1. Know who you are playing for.

We win as a team and we lose as a team, so we play as a team. There is no individual player more important than the team.

Girls who play team basketball, play.

2. Control the controllables: attitude and effort.

You cannot control how officials call the game or whether your shots fall. You can always control your attitude and your effort. Hard work pays off, and we are committed to being the hardest working team in the gym every single time. We will also protect our composure in every situation.

Girls who have great attitudes, play.

3. We play aggressive, high energy basketball.

Our style is fast and intense. When we dictate the pace of the game, we take control and force our opponents out of their rhythm. Our relentless energy and effort will win games.

Girls who work hard, play.

4. We play smart basketball through communication.

Coach K said it best: “Effective teamwork begins and ends with communication.” We talk to each other, we do not yell at each other, and we listen. You can see great offense. You can hear great defense.

Girls who communicate, play.

5. Defense is the key to championships.

We play intense, disruptive defense. We create chaos and make our opponents uncomfortable. Our defense frustrates other teams and gives us the edge.

Girls who defend, play.

6. We create opportunities by rebounding the basketball.

We attack every rebound. The team that rebounds best gets more shot attempts and limits the other team’s chances.

Teams that rebound, win. Girls who rebound, play.

7. If it is not fun, it is not worth playing.

We play with joy, passion, and energy, together.

Girls who have fun, play.

Player Expectation Contract

PART 2: PLAYER EXPECTATION CONTRACT

As a member of the Middleburg High School Girls Basketball Team, I understand that I represent more than myself. I represent my teammates, my coaches, my school, and my community. I accept that responsibility with pride and I agree to the following.

1. During Practice

- I will not shoot or distract others while coaches are speaking.
- I will give my full attention, keep eye contact, and listen with purpose.
- I will hustle at all times. Walking is not an option.
- I will challenge myself and my teammates to get better every day.
- I will arrive on time, in proper gear, with a team first attitude.

2. Outside of Practice

- I will study and memorize the playbook regularly.
- I will keep a minimum GPA of **3.0**. School eligibility requires a 2.0, but our team standard is higher.
- I will turn in my Athletic Weekly Progress Report to Coach Tenise by 3:00 PM every Friday.
- I will attend Bronco Brainstorm and play walkthroughs on Saturdays, 10:00 to 12:00 at MHS, unless I have an excused absence.
- I will stay free of misconduct at school, in the community, and online.
- I will respect my teachers, classmates, and school staff. I understand that failing to do so can affect my role on the team.
- I will take part in team fundraising activities when required.
- I will use my social media as a positive platform for myself and my team. That means I will create and keep up an **X** account (formerly Twitter) to share highlights and team wins, create and update a **FieldLevel** account for recruiting, and actively use my **HUDL** account for film review and exposure.

3. Locker Room Access

- Only **Varsity players** are allowed in the Varsity locker room.
- **JV players** are not allowed in the Varsity locker room and will use the shared JV locker room.

4. My Commitment as a Student, Athlete, Teammate, and Ambassador

I am a student. Academics come first. I will keep a minimum GPA of 3.0 and I will strive for higher. I will treat every teacher, staff member, and classmate with respect. Poor behavior or conduct can affect my place on the team.

I am an athlete. I am committed to becoming the best version of myself, and I know talent means nothing without hard work. I will be on time, in uniform, prepared, and accountable. I understand that missing these expectations can affect my role on the team.

I am a teammate. I will work hard to help my teammates grow. I will lift others up and never tear them down. ***Disrespect on the court, in class, or in my personal life will not be tolerated and can result in loss of playing time or removal from the team.***

I am an ambassador. I represent my team, my school, my family, and my community, on and off the court. I will respect referees, fans, opponents, and coaches. Win or lose, I will compete fiercely and handle myself with class. If I fail to meet this standard, my standing on the team may be reevaluated.
