Help Us Build This Season Together

A sponsorship guide for Lady Bronco parents and players

A note from Coach Thaynes

Families, this program is about more than basketball. We are building resilient, confident, hard working young women, and that takes support from this whole community. Local businesses love to back kids who show up, work hard, and represent Middleburg the right way. We just have to ask them.

This guide gives you everything you need. You will find the sponsorship levels, how to sign a business up, and a step by step plan for walking into a business and asking with confidence. Players, this is your season. When you help fund it, you own it.

What your sponsorship dollars support

- Uniforms, practice gear, and warm ups for the team
- Tournaments and travel to away games
- Team supplies and our Bronco Brainstorm life skills sessions

How it works in four steps

1	**Pick your businesses.** Choose places you or your family already know and visit.
2	**Go in person.** Bring a parent, a sponsor packet, and a smile. Use the plan on pages 3 and 4.
3	**Sign them up.** Send them to mhsladybroncos.com/sponsor to fill out the short business form.
4	**Say thank you.** A quick handwritten note within 24 hours keeps the door open for next year.

Sponsorship Levels and How to Sign Up

Sponsorships run from $750 to $5,000. Every level includes everything in the levels below it, and the top level, Horsepower Title, is exclusive to one business.

What a sponsor gets

- **Game day exposure.** The business name read over the PA and its logo on the entry banner at home games.
- **Social media reach.** Posts and player shout outs shared with our families and fans.
- **A real ad.** Title sponsors get a Business Day video: a 60 second ad plus three short clips filmed during a visit from the players.
- **Community pride.** Their support covers tournaments, travel, uniforms, and gear.

Open the sponsor packet to see every level and its price, and show it to the business owner during your visit.

Open the Sponsor Packet (PDF)

mhsladybroncos.com/sponsor-packet.pdf. Print a copy or keep it on your phone before every visit.

How a business signs up

- Choose a sponsor level.
- Go to mhsladybroncos.com/sponsor and fill out the Tell us about your business form.
- The form asks for business and contact details, the level chosen, how they plan to pay, how the name should appear, an optional logo upload, a preferred home game, and Business Day preferences.
- Submit it. A coach will contact the business within a few days.

How a business pays

- **Online.** Use the official Middleburg High School MySchoolBucks page. In the note, enter Lady Broncos sponsorship and the business name.
- **By check.** Make it payable to Middleburg High School with Lady Broncos Basketball sponsorship in the memo. Give it to a coach or mail it to the school.

Helpful to know

- A logo as a PNG with a transparent background works best. It can be emailed to a coach later.
- Benefits that involve school facilities, games, or player appearances need approval from Middleburg High School and Clay County.
- Filming players requires parent permission.

How to Approach a Business in Person

A walking in plan for players and parents. Follow it and you will feel ready before you ever open the door.

Before you go

- **Make a short list.** Pick five to ten businesses you or your family already visit. A familiar face gets a warmer welcome.
- **Check with the team parent first.** Let us know where you are headed so two families do not ask the same business.
- **Always go with an adult.** Players visit with a parent or guardian. Never go out alone.
- **Pack your kit.** Printed sponsor packets, a pen, this guide, and your team gear or a Lady Broncos shirt.
- **Choose a good time.** Mid morning or mid afternoon, Tuesday to Thursday, is best. Skip the lunch rush and Monday mornings.
- **Practice your pitch.** Say it out loud three times at home until it sounds like you.

At the door, step by step

Step	What to do
1. Greet	Smile, stand tall, and say hello. Ask for the owner or manager. Say you are with the Middleburg Lady Broncos.
2. Introduce	Give your first name, your grade, and your position or role on the team.
3. Pitch	Keep it under 30 seconds. Say what the team is doing and what you are asking for.
4. Hand over	Give them the sponsor packet and walk them through the levels. Point them to mhsladybroncos.com/sponsor to sign up.
5. Ask	Ask for a specific level. Do not say, "Would you maybe like to help?" Say, "Would you consider a sponsorship at the level that fits your business?"
6. Listen	Stop talking after you ask. Let them answer. Silence is fine.
7. Close	Get a name, a phone number or email, and a follow up date. Thank them whether the answer is yes or not yet.

Your 30 second pitch

> *"Hi, my name is ____, and I am a ____ on the Middleburg Lady Broncos basketball team. We are raising support for our season, and we are inviting local businesses to partner with us. Our team is working hard on and off the court, and sponsors help us with uniforms, travel, and team needs. In return, we proudly feature your business on our website and social media, and higher levels get even more. Could I leave this packet with you? I would love to talk about the ____ level."*

When You Hear Maybe, Not Now, or No

Most answers are not a hard no. Here is how to respond with class and keep the door open.

They say	You say
"I need to think about it."	"Of course. Can I check back with you next Tuesday? I will bring a thank you note either way." Write down the date.
"We do not have the budget."	"I understand. Our packet has levels to fit different budgets. Would you like to look at the lowest level?"
"We already sponsor another team."	"That is great to hear. We would love to be on your list for next season. May I leave a packet?"
"I am not the decision maker."	"No problem. Who would be the best person to talk to, and when is a good time to come back?"
"No, thank you."	"Thank you for your time. We appreciate you supporting Middleburg." Leave kindly and never push.

Do and do not

DO	DO NOT
Look people in the eye and speak clearly	Show up with a parent or guardian missing
Dress neat, in team gear if you can	Argue, pressure, or ask more than once
Thank every person you talk to	Interrupt a busy owner with customers waiting
Follow up when you said you would	Promise benefits that are not in the packet
Take no for an answer with a smile	Collect cash or checks without handing them to a coach

After the visit

- Write a short thank you note within 24 hours and drop it off or send it.
- Remind the business to fill out the form at mhsladybroncos.com/sponsor so a coach can follow up.
- Log every visit on the tracker below so we know who has been asked.

Business Visit Tracker

Print this page and bring it along. Record each visit so we never ask the same business twice.

Business	Contact name	Date visited	Level discussed	Follow up date	Result

Thank you for helping our Lady Broncos. Go Broncos!
